

The Bribery Act 2010

We Know Office is committed to carry on business fairly, honestly and openly in everything we do and wherever we operate. Our reputation is built on our values as a company, the values of our employees and our commitment to acting with professionalism and integrity. We Know Office takes its legal responsibilities extremely seriously and is committed to taking a **zero tolerance** approach towards bribery.

Whilst we are a UK based business, we will uphold all laws relevant to countering bribery and corruption in all the jurisdictions in which we operate. We remain, however, bound by the laws of the UK, including the Bribery Act 2010, in respect of our conduct both at home and abroad and will actively co-operate with relevant enforcement authorities in the investigation and punishment of any act of corruption or bribery by any person employed by or associated with We Know Office.

“We have a clear policy and procedures in place to combat bribery and corruption and we will not and our employees will not, give or receive bribes or other advantages of any kind. We will not accept bribery and corruption in our company or in any company or organisation that we deal with. We will not do business with any party that does not acknowledge and respect our zero tolerance approach to bribery.”
